

Crossroads Church Prayer List
04.14.24

Praise Reports

- **Cindy Black**—Praise that our son's family who lives in Israel (the John Black family) have left Israel for 3 weeks and are now in California.
- **Kim Farmer**—Thank you, Lord, for continued healing for my broken shoulder.
- **Pat/Treena Moran**—Praise God for successful cataract surgery.
- **Walt/Kim Roberts** – Happy to be home.

Prayer Requests

- **Tobey Stickley**—Continue to pray for my neurology situation and for strength, wisdom, and discernment as we finally dive into a major house clean out.
- **Cindy Black**—Pray for Israel's safety.
- **Lenny/Anne DeFrank**—Pray for our 6-year-old grandson James who had a seizure yesterday—pray that they get to the bottom of it.
- **Rich Sodergren**—Pray for Israel.
- **Kim Farmer**—Pray for safe travels for family who's traveling.
- **Rob/Janet Michael**—Pray for Janet's brother-in-law Tim who has eye cancer and has to go from Altoona, PA, to Cleveland, OH, for treatment May 6-10—doctors say it's in the early stages. Pray for the drought in South Africa with many areas under a state of emergency—the water levels are so low the hydroelectric power plants can't run.
- **Brandon/Kathy Rainville**—Pray for Kathy as she is having back surgery on Wednesday, 4/17.
- **Pat/Treena Moran**—Pray for Pat, Treena, Pam & Howie Brosniak, Daria Bennett, Joseph Benning, Tammy Moats, Patrick Jr. & family (especially Ireland), Shannon Russell & family, Johnathan Campbell, Jean Buckner, Dorothy Buchner, Jean Hartman, Sam Thornton, Louise Slusser, Donna Boger, Debbie Farley, Dawn Williford, an unspoken request, peace in our country and the world.
- **Walt/Kim Roberts** – Pray for Barb Gayman and her recovery.
- **Ron/Leah Horn** – Pray for Ron, he is having surgery May 1st.
- **Billie Mummert** - Please pray for my grandmother as her cancer has returned and will be starting treatments soon.
- **Peter/Teresa Nowinski** - Our friend Ron's surgery to remove a bone spur in his neck went well. Please pray for good recovery and for the numbness and weakness in his arms and legs to diminish.
